

A THREAT DETECTED SPECIAL EDITION THE STORY OF AN EMPOWERED

CISO

IT'S A CHALLENGE TO COMMUNICATE THE BUSINESS VALUE OF SECURITY.

I WISH I HAD VISIBILITY AND METRICS TO QUANTIFY HOW WE'VE REDUCED RISK THIS YEAR

PRIORITIZING INFLUENTIAL WORK IS DIFFICULT...

IMAGINE IF TECHNOLOGY COULD DRIVE EFFICIENCY AND CONTROL INSTEAD OF INCREASING NOISE

WHEN SOC TEAMS ARE DROWNING IN ALERTS!

BUDGETS ARE LIMITED AND PRIORITIES ARE LIMITLESS. CISO'S STRUGGLE TO MEASURE THE EFFICACY AND IMPACT OF SECOPS PROGRAMS.

HOW CAN I MEASURE THE ROI OF MY SOC?

AND KEEPING PACE WITH EVOLVING REGULATIONS AND INSTITUTIONALIZING NEW PROCESSES IS CONSUMING MY TIME!

IF ONLY THERE WAS A WAY TO AUTOMATE COMPLIANCE CONTROLS!

IF ONLY THE CISO HAD A SYSTEM OF RECORD THAT COMBINED THE HUMAN AND MACHINE INTELLIGENCE OF THEIR ENTIRE SECURITY ORGANIZATION INTO ACTIONABLE INSIGHTS.
